P.O. Jorg: He's wanted for trafficking resisting and assault on a police officer from a prior. But we didn't know his name at the time. Now we got him ID, he's wanted again for assault on a police officer to resisting. We uh, well we're over there doing investigation waiting for these guys. He walks by an' we're like oh, my God that's him. So we walk over here by the outside the store to make sure that it was him, that we could ID him. It was him and he came around to the \_\_ \_\_. I stop him. And told him you know just need to talk to you a minute, just conducting an investigation. No big deal. So calm down. I want to talk to you. So we ask him few questions. Doesn't have his ID. Give us a name, where'd he live an' talk to, what are you doing here? Visiting his girlfriend. Where does she live? Do you remember the numbers of the address? Will you take us there? Yeah, take you there. No big deal. Dave fires in a few questions. Did you ever run from the police. Last time he ran from the police. Never, never, no.

P.O. Hunter: Duh, duh, duh. Then that's when I said oh, so when was last time you ran from the police. That's when we \_\_ \_\_.

Sgt. Watts: Did anybody strike him or spray? Just sprayed him.

P.O. Jorg: I don't know who sprayed him. I had his head wrapped almost the whole time.

Sgt. Watts: You said you had his head wrapped around.

P.O. Jorg: Uhm, I had my hand across his forehead, trying to hold him down to the ground. I also had one of his arms as a restraint move. \_\_\_\_\_. I didn't throw anything. And then uh, he dropped his head. As I was turned to hold him down, he brought his head up I had to push it back down and he hit his head on the ground. It wasn't intentional move. I didn't go to hit his head on the ground. Sarge, I'm gonna , well I'm \_\_

P.O. Spellen: Looks like he's uh, hurting a little bit.

P.O. Brazile: Yeah. Lot a bit.
